In the five years that **Renaissance American Management, Inc.** and **Beard Group** have been producing this conference, we have built it into the premier event for cutting edge information about the business side of physician practice groups. This is not a fine-points-of-the-law conference, but a forum for discussing the most recent deals.

Once again we have put together a terrific faculty that will be looking at these topics and others:

- ◆ Entrepreneurial Opportunities in Telehealth
- ◆ Overcoming the Credit Crisis: Current Trends in the Capital Markets
- ◆ Closing the Deal in Spite of Valuation Surprises
- ◆ Case Studies in Due Diligence
- ◆ Staying Out of Trouble with Your Physician-Hospital Organization
- ◆ Case studies: An Orthopedic Institute, Piedmont Healthcare, and others
